News Update: EIV 8.1.1 Instructional Course Webcast**

Good News! The agenda and course materials for the December 16-17, 2008 EIV 8.1.1 instructional course webcast are now available on the **EIV Training and Outreach for MF Housing Programs** Web Page at: <http://www.hud.gov/offices/hsg/mfh/rhiip/eiv/eivtraining.cfm> for review and download. We encourage course participants to download and review the materials and become familiar with the case studies prior to joining the webcast at: <http://www.hud.gov/webcasts/index.cfm>. Owners and management agents (O/As), service bureaus, contract administrators (CAs), and HUD staff are all invited to attend. HUD staff will deliver an informative slide presentation ranging from gaining and continuing EIV access, reading income information and verification reports, resolving tenant income discrepancies (including case studies) to monitoring O/A activities, as the Department moves toward eventually mandating the use of EIV for multifamily housing programs.
